Mr. A. J. Manley, Owner
Newark "Eagles" Baseball Club

Newark, New Jersey

Dear Mr. Manley:

Confirming my conversation with your secretary today, we have been advised that the National League - American League Negro All-Star Baseball Game will be held in Comiskey Park, Chicago, Illinois, on August 18th, 1940, and that the Eastern Team will be composed of members of the National League teams located at Philadelphia, Newark, Baltimore and Pittsburgh.

In this connection, the Baltimore and Ohio Railroad would like very much to be of service to those who will participate and attend this game. We are enclosing one of our latest folders in which you will note the excellent train service maintained by our line and as our route from New York is via Newark, Baltimore, Washington and Pittsburgh, it will be most convenient for all members to entrain and detrain.

As I advised your secretary, we will be very glad to attach a special coach to any of these trains for the exclusive occupancy of your party, should it number thirty or more people and if you wish, we will arrange to have the coach equipped with steel straps so that the seats can be knocked down at night and made into beds. Pillows may be rented from the Dining Car Department at the rate of 25¢ per pillow for the night.

The round trip fare between New York and Chicago for tickets good in coaches only is \$27.25, with proportionate rates from other cities. For parties of twenty five or more persons traveling together on the going trip and either together or individually on the return trip within twenty days, the round trip fare is \$24.55 per person. It may be that you would want to consider Pullman sleeping car accommodations. There are no round trip party fares for tickets good in Pullman cars and the regular round trip rate for tickets good in lower berth or superior type Pullman accommodations is \$49.05, plus the round trip lower berth fare of \$12.60. The round trip fare for tickets good in upper berth accommodations upon payment of the upper berth charge is \$44.15, and the round trip upper berth charge is \$7.80. Proportionate fares apply from other cities, such as Newark, Philadelphia, Baltimore, etc., which rates we will be pleased to quote if you desire. If you desire to use this type accommodations, we will be pleased to place a Pullman sleeper on any of the trains for the exclusive occupancy of the party if it numbers 20 or more people. Nationally known Baltimore and Ohio meals are available in the dining cars of all trains at low prices.

Should you wish, I will be very glad to arrange to call on you at any time at your convenience for the purpose of furnishing further information that you might desire. We will also be glad to arrange the transportation for all of the members and see that it is delivered to them at their convenience.

Thanking you for this opportunity to furnish this information and looking forward to being of service to you, we are,

Very truly yours,

Passenger Traffic Representative
